

**Auction at
60th VDT Pigeon Show in Leipzig
December 4th 2011**

Our German – “PIGEON SHOW” being held in Leipzig, Germany will offer each of us the opportunity to do something very special for those **“Children With Cancer”**. It is truly an honor for us to get behind and endorse this wonderful cause that will provide a **“TRUST”** for those children that so badly need our help. Your contribution can and will make a difference in these children’s lives.

There is a way that each of you can help these boys and girls with a better chance at living their dreams of a healthier life and one that offers them a future. By looking into our lofts and picking out a nice pair of birds to donate to this auction to raise as much money as possible. Or offer a bid to buy a pair of birds to help raise more money for those **“Children With Cancer”**. Our clubs president Klaus Burkhardt, has taken the lead by donating one nice pair of his Saxon Fairy Swallows. A pair that anyone would be very proud to own. With his successful background in Fairy Swallows, it should offer a good sale for the **“TRUST”**.

We would like to thank our leader Klaus Burkhardt for his generous donation. Please join Klaus and see if you can donate a special pair in order to make our auction for those **“Children With Cancer”** a success story for our German Pigeon Association...

We will be looking forward to seeing you in Leipzig,
Thanks to all of you,
Andreas Reuter
