

48th Big Erz Mountains Show 2011

Großolbersdorf

Saxon Fullhead
Black white bar
V97 PET
Breeder:
Klaus Hentschel

In the middle of the Erz Mountains is Grossolbersdorf one of a center of the pigeon breeding. Each show season for the color pigeon breeders is starting with this traditional show. The most of the breeders were coming from Saxony and they have presented approximately 2300 birds. In the following photos you can get some impressions from the best Saxon Swallows and Saxon Shields at the fantastic show.
